About us...

Pizza Unica is a place where Italian food and good people meet every day. Despite the weather, we try to create a true Italian atmosphere. We can't bring the sunny Italy to you, but we will try to bring you the joy the Italian food can offer.

The heart of each restaurant is a kitchen. The heartbeat of our kitchen is a wood fired pizza oven. We believe the way food is prepared and made is important. Therefore, we have an open kitchen which means our guests can enjoy observing the process of creating Italian dishes while sitting at their table.

Our menu is versatile. We have fantastic meat, seafood and pasta dishes. Do we have pizzas? Of course we do! Actually we have really special ones, which are made in Neapolitan style. Come and try! Neapolitan pizza? Yes, please! Taste the difference...

Buon appetito!
